Hi everyone,

I'm Laura Grosser, a quite young judge from Germany as I'm a national Agility judge since 2019 and a FCI judge since 2023.

Agility is my passion already since 2001, so I witnessed the development of our sport for a long time as a competitor and trainer.

Now I'm happy to be part of it by creating fluent, challenging courses that offer different handling options and demand a variety of skills - you don't have to be a fast handler, you can always show off sending and discrimination skills - or choose to run!

I already judged a lot of national and international competitions including championships and AWC tryouts and now I'm much honored to judge the SOAWC 2025.

Thank you very much for the invitation!
